

The Association of Graduates in Early Childhood Studies would like to acknowledge both the Bunurong/Boon Wurrung, and Wurundjeri people as the Traditional Custodians of the Lands on which we are located in Melbourne. We pay our respects to their Elders past, present and emerging. We also acknowledge the Aboriginal language groups across all of Victoria, whose lands we provide funding for specific projects around Early Childhood Education. We acknowledge their history, their people, and their stories. As an Association we will work together for reconciliation, a process that starts with the acknowledgement of true Aboriginal and Torres Strait Islander histories and cultures of Australia, and will always value the contribution to our community and culture, the experiences of Aboriginal and Torres Strait Islander peoples, their families, communities and their stories.
